2 Door Access Control Kit

c UL us LISTED

Kit Includes:

- 1 x 2 Door Controller (WAC-2D2T-ENC) with cabinet
- 2 x Proximity Readers (WAR-EHO-MPX)
- Access Control Software with 2 camera integration (WAS-PRO-008)
- 10 x Proximity Cards (WAC-EMC-SID)
- PoE Injector

Multi-technology RFID Reader

WAR-EHO-MPX

First in its class highly secured

Triple Technology Proximity Card Reader

- Multi technology / Multi format Reader
- Advanced ASK Modulation with 125 kHz
- Read Range: 150mm (6.00 in.)
- Wiegand Output: 26~72 bit communication protocol

Highly Secured Access Controller

WAC-2D2T-ENC

- 2 Door, 2 Reader Universal Access Controller with TCP/IP
- Card holders capacity: 100,000
- Transactions Storage up to 270,000
- Local and Global Anti-Pass back with watchdog
- Auxiliary: Input 4 / Output: 2 & Lock Output: 2
- ULc, CE, FCC & RoHS approved

Highly Secured Access Control Software

WAS-PRO-008

Powerful, Secured, Enterprise Grade

- Plug & Play setup
- Easy enrolment & quick configuration
- Auto detection of controllers on the network
- Perfect report for daily, weekly, monthly, annual (flexible choice)

High Security RFID Proximity Card

WAC-EMC-SID

- 125KHz secured Wiegand proximity card
- Sensing Distance up to 15cm/5.90"
- Fully sealed dust & moisture proof
- High receiver sensitivity
